

Martin Kers works as a freelance outdoor photographer since 1979. He has travelled to more than 100 countries as a photo journalist for newspapers and magazines. Some 12 books by his hand contain impressive images of landscapes, cities, people and railway journeys. Some of those were made in the valued company of writer journalist Hans Bouman. www.martinkers-foto.nl

Hans Bouman is a freelance journalist and travel writer. He was the editor-in-chief of the travel monthly REIZEN Magazine, works for the national daily newspaper De Volkskrant and is a regular contributor to a wide range of other publications. Bouman wrote a number of travel books and cooperated with Martin Kers in the 2006 Dutch and English publication of The World's Finest Railway Journeys. www.hansbouman.nl
